REMARKS

A request for continued examination accompanies this amendment. Reexamination and reconsideration

of the rejections are hereby requested.

Claims 1-59 and 61 are being cancelled herein. Claim 60 has been rewritten into independent form

including all of the limitations of claim 59 from which claim 60 depends. Claim 60 has been indicated to

be allowable if rewritten into independent form including all of the limitations of the base claim and any

intervening claims. As stated above, claim 60 has been so amended.

Because only allowable claim 60 remains in the application it is submitted that this case is in condition

for allowance and early favorable action is requested.

Respectfully submitted,
